of Correction

Sir:

**REQUEST FOR CERTIFICATE OF CORRECTION**

Please correct the above-identified patent as indicated by the accompanying Form PTO/SB/44.

As clearly disclosed by the file history, some of the mistakes found in the printed version of U.S. Patent No. 6,432,630 B1 ('630) were incurred through the fault of the Office. For instance, the Assignee's name and address were correctly listed on the following attached forms: the Assignment Recordation Form; the Assignment document; and Form PTOL-85 (Issue Fee Transmittal). Nonetheless, the printed version of the '630 patent contains errors in both the Assignee's name and address.

However, in order to expedite the process and for the sake of convenience, we corrected all identified mistakes, including both the Office's mistakes and Applicant's mistakes, under a certificate of correction for Applicant's mistake. The Patent Owner respectfully requests that the Certificate of Correction be issued.

The undersigned attorney can be reached at the address shown below. All telephone calls should be directed to the undersigned at 617-832-1257.

Please apply fees or credits due in this case to Deposit Account No. 06-1448, referencing Docket No.: ISA-023.01.

Respectfully submitted,
